

INTERNSHIP PROGRAM

Graham Health System has a paid, 10 week, Student Technician Program available for nursing students who are entering their final year of nursing school. Students will work hand in hand with an RN to gain more practical hands-on clinical experience. Rotations will consist of 3 areas at the hospital that are of interest to them. There is an opportunity to continue as a float Patient Care Tech at the end of the program.

Graham Health System is also hiring for RN positions in Med/Surg, PCU, ER, Surgery, Skilled and OB. Apply online at www.grahamhospital.org or send resume to
