

INA Mentoring Program

New Graduates

Join the Illinois Nurses Association as a new graduate and take advantage of the INA Mentoring Program!

Goals of the Program: To mentor and assist new graduate nurses in advancing professionally, adapting to the workplace, developing their role in professional organizations and reaching their goals in nursing.

New graduate INA members will be able to request a mentor based on criteria including, but not limited to: Practice area, Goals in Nursing, Workplace Educational attainment goals

INA will then identify a mentor who will establish contact with you, the new member.

Questions please contact: Dan Fraczkowski, INA Director at Large
